

## OUR LOCATIONS

*The warmth of an open fire on crisp winter days and the cool shade of the surrounding chestnut trees on sunny summer afternoons make this location the perfect choice at any time of the year.*

### **Taverna dello Scoiattolo** *Get married in the mountains*

If you are looking for an exclusive location for a fresh and relaxed wedding, with attention to detail, then the Taverna dello Scoiattolo is definitely for you. Imagine a dream cabin, so impressive that it does not need lots of decorations. Here, at 1000 metres above sea level, with the aroma of the forest and a fairytale atmosphere, you can hold your civil wedding ceremony and celebrate in a unique way.

### **Locanda Alla Posta** *A small but important event*

On the cold winter days it is an ideal solution for an intimate and glamorous reception between the crackling of the hearth and the snowy peaks of the horizon. In the summer your guests can enjoy a refreshing cocktail on a large terrace in the natural setting of the estate, a breathtaking view of the majestic Apuan Alps.
